TEMPE

COTTON INDUSTRY
IN SACATON DISTRICT

A Tempe Resident Reports a Very
Promising Crop

Peter Aeppli, who resides a mile and
a half southeast of town on the
Phoenix road, returned Wednesday
evening from a four days' visit at
Sacaton. The express purpose of the
trip was to pay a visit to his son,
David, who is employed there by the
government as assistant on the ex-
perimental farm, but at the same time
Mr. Aeppli took occasion to look into
the work being accomplished by the
agricultural department. The trip
was made overland, taking the greater
part of a day going each way.

Mr. Aeppli says that the cotton in-
dustry which is being experimented
upon by the government at that place
is going far above the expectations
of the officials. Fifteen of the fifty
acres included in the experimental
farm are set out in this one product.
At present the stalks average about
six and one-half feet high and the
bolls give excellent indications of a
heavy harvest. An expert is now
located at the farm setting up an ad-
ditional gin which it is thought will
be in operation by the time picking
starts, which will be about the first of
October. With the two machines
working at their fullest capacity it
is expected that about three bales per
day will be put out. Each bale being
held at one hundred dollars each, last
year's market price, this will mean
quite a little for Sacaton as well as
the government. Following the com-
pletion of the gin on which work is
now in progress, the agent will go to
Phoenix where he will set up a like
machine for Mr. Altha, the owner of
a large field at that place. Another
gin will also be placed in the Mesa
district by the same man.

A number of other valley crops,
such as corn, milo maize, and sorghum
are being experimented upon in
connection with the cotton and all are
said to be very promising, especially
the corn. The stalks are extremely
high and the ears bear marks of ex-
ceedingly good quality.

Much of the success of this farm,
says Mr. Aeppli, is due to the work of
Mr. Hudson, the man in charge. He
has been connected with the govern-
ment for several years at that place
and has become thoroughly familiar
with the conditions existing there in
connection with the raising of the
different crops.

A really effective kidney and blad-
der medicine must stop the progress
of the disease and then cure the con-
dition that caused it. Use Foley Kidney
Pills for all kidney and bladder
troubles and urinary irregularities.
They are safe and reliable. They help
quickly and permanently. In the yellow
package. For sale by Elvey & Hulett.

RECEPTION TO PASTOR

A reception given in honor of the
new pastor, Rev. C. H. Daines, took
place Wednesday evening at the Con-
gregational church. The affair was
promoted by the ladies of the church
and turned out to be unusually suc-
cessful. The following program was
rendered during the early part of the
evening: Music, Miss Laura Schmidt;
vocal solo, Prof. J. L. Johnson; ad-
dress, Prof. J. L. Johnson; address,
Rev. Wilbur Fisk; violin solo, Miss
Cecil Mullen; vocal duet, Prof. J. L.
Johnson and wife; address, Rev. C.
H. Daines.

Following the entertainment a lunch
was served by the ladies and the re-
mainder of the evening spent in be-
coming acquainted both with the pas-
tor and family and others. An extra
large attendance was present,
which lent much to the success of the
occasion. Rev. Daines has taken up

Just See That Corn
Shriveled---Vanish!

The New Corn Cure "GETS-IT" Gets
It.

Corn on Sunday!
Before Using "Gets-It."
Gone on Tuesday!

"GETS-IT" is the new corn cure
on a new plan, that is as harmless
to the skin as water, but, blazes, how
it works! Nothing to stick or hurt.
Lo and behold, your corn comes out.
You don't have to drag it out. Every
owner of a corn, callous, wart or
bunion is going to get the surprise of
a lifetime. No more digging at corns,
no more slicing with razors and
drawing blood, no more blood poison,
no more sticking plasters. "GETS-IT"
is sold at all druggists at 25
cents a bottle, or sent direct by E.
Lawrence & Co., Chicago. Sold in
Phoenix by A. L. Bohmer; Owl Drug
Co.; Ruffin Drug Co.

Stops Scalp Itch

Dandruff and Every Form of Scalp
Disease Cured Quick by Zemo

It is simply wonderful how Zemo
goes after dandruff. You rub a little
of it in with tips of the fingers. It
gets right down into the glands, stimu-
lates them, stops the itch, and
makes the head feel fine. No, it isn't
sticky! Zemo is a fine, clear, vanish-
ing liquid. You don't have to even
wash your hands after using Zemo.
And what a wonder it is for eczema,
rash, pimples and all skin afflictions.

A 25-cent trial bottle at Elvey &
Hulett's drug store is guaranteed to
stop any skin irritation.

Zemo is prepared by E. W. Rose
Medicine Co., St. Louis, Mo., and is
regularly sold by druggists at \$1 a
bottle. But to prove what it will do
at trifling expense Zemo is now put
up in 25-cent trial bottles.

his residence in the J. E. Price house
on East Eighth street and will re-
main here permanently in the future.

Antoine Deloria, Postmaster at Gar-
den, Mich., knows the exact facts
when he speaks of the curative value
of Foley Kidney Pills. He says:
"From my own experience I recom-
mend Foley Kidney Pills, as a great
remedy for kidney disease and a good
many of my neighbors were cured by
Foley Kidney Pills. For sale by El-
vey & Hulett, Phoenix."

OLD RESIDENT BACK

M. L. Duffy an old time resident
of this place, came in Wednesday
from the state of Washington where
he and his family are now located.
Mr. Duffy will spend a short time
here looking after business interests.

TO THE COAST

Mrs. W. G. DeVore left last night
over the Southern Pacific for San
Diego where she will spend the next
few weeks visiting her parents. The
change is made partially on account
of her present ill health.

MOVES TO HOMESTEAD

Monte Osborn, for many years an
employee of the Pacific creamery at
this place in the capacity of foreman
of the warehouse, has resigned his
position there to a certain extent and
will move onto his homestead south
of Mesa. He will, however, spend
three days of each week at the fac-
tory, while the rest of his time will
be put in on the farm. Mr. Osborn
located this tract several years ago
and has already grown a number of
crops very successfully upon a por-
tion of it. It is his intention to cul-
tivate the entire ranch as fast as
possible from now on. During his
absence from the creamery Ben Allen
will have charge of the warehouse.

U. A. Smith, Bridgeton, Ind., had
kidney trouble for years, and was so
crippled with rheumatism he could
not dress without help. He started
using Foley Kidney Pills, and says:
"I began to get better at once, and
now all my trouble has left me and I
do not feel that I ever had rheuma-
tism. I rest well and all night and
though 59 years old, can now do the
work of a man of 25 years. I would
like to be the means of others getting
benefit from Foley Kidney Pills." Re-
fuse substitutes. For sale by Elvey
& Hulett, Phoenix.

ON BUSINESS

Mrs. Thos. Hagan of Los Angeles,
is here to spend a few days looking
after her property located at this
place.

LIQUOR TRIAL TODAY

The trial of Charlie Davis, prop-
rietor of the Tempe pool room, for the
alleged selling of intoxicating liquors
is scheduled to take place this after-
noon at 2 o'clock in the city hall.
This is the third date set for the
affair, it having been necessary in the
past to postpone the trial on account
of the inability of the chief witness
to be present.

FROM PHOENIX

John Hyder and Boyd O'Daniel of
the Hyder Bros. store de luxe in
Phoenix spent yesterday afternoon in
Tempe on business.

IN MESA

R. A. Windes was a business visitor
in Mesa yesterday afternoon.

MESA

Chairman W. A. Moyer

Examining the Roads

Making Tour of South Side in Com-
pany with the County Road
Superintendent

W. A. Moyer, chairman of the
board of supervisors of Maricopa
county, accompanied by L. M. Acuff,
county superintendent of roads, was
in Mesa yesterday and together with
Hugh Dana, who has charge of the
work in the Mesa district, drove over
a large part of the road system.
Recently there has been considerable
demand for the opening of new
roads on the south side, on ac-
count of those living to the south and
east of town. In the Chandler sec-
tion alone some sixty miles of new
roads have been applied for. These
embrace a road from Chandler west
to the M. & P. railroad, with a num-
ber of "feeders" to this road, run-
ning north and south. In the Higley
section and east of town there have
been many new farms opened up and
the owners need good roads to get

their products to market. In the
more densely settled portions some
of the old roads are in bad shape.
During the summer months, especial-
ly during the dry season, the traffic
cuts the roads quite badly, and it is
now up to the supervisors to do
the best they can with the money
available for that purpose to make
the needed repairs. There are sev-
eral culverts and bridges that also
need attention. Of course one trip
will not disclose all the improvements
required, but will give Mr. Moyer a
good idea of the extent of the ex-
penditures needed for the south side.

MANY DRIVEN FROM HOME.

Every year, in many parts of the
country, thousands are driven from
their homes by coughs and lung
diseases. Friends and business are
left behind for other homes, but
this is costly and not always sure.
A better way—the way of multitudes
—is to use Dr. King's New Discovery
and cure yourself at home. Stay right
there, with your friends, and take
this safe medicine. Throat and lung
troubles find quick relief and health
returns. Its help in coughs, colds,
grip, croup, whooping cough and sore
lungs make it a positive blessing.
50c and \$1.00. Trial bottle free. Guar-
anteed by all druggists.

MISSIONARY MEETING

The M. E. church will meet at 2:30
p. m. today at the home of Mrs. Jo-
seph Montgomery. This is a meet-
ing of special importance and all
members and their friends are urged
to be present.

UNCLE EZRA SAYS

"It don't take more'n a gill uv ef-
fort to sit folks up a peck of trou-
ble" and a little neglect of constipa-
tion, biliousness, indigestion or other
liver derangement will do the same.
If ailing, take Dr. King's New Life
Pills for quick results. Easy, safe,
sure and only 25 cents at all drug-
gists.

MR. STAPLEY BETTER

O. S. Stapley was much improved
yesterday and the physicians are
hopeful of a speedy recovery. It
is probable however that he will
take a long rest before again as-
suming the burdens of business.

ONLY 96 VOTES

The vote at the primary election
held in Mesa on the tenth was about
the dullest affair in the way of elec-
tions that the town ever has known.
A total of ninety-six votes were
cast, of which 56 were democratic,
35 progressives, 9 republicans and 2
socialists. If as little interest is
taken in the presidential election it
will be hardly worth while opening
the polls on Nov. 5th.

THE MEN WHO SUCCEED

As heads of large enterprises are men
of great energy. Success, today, de-
mands health. To all is to fail. It's
utter folly for a man to endure a
weak, run-down, half alive condition
when Electric Bitters will put him
right on his feet in short order. "Four
bottles did me more real good than
any other medicine I ever took,"
writes Chas. B. Allen, Sylvania, Ga.
"After years of suffering with rheu-
matism, liver trouble, stomach disor-
ders and deranged kidneys, I am
again, thanks to Electric Bitters,
sound and well." Try them. Only

ROAD MEETING TONIGHT

A telegram received yesterday by
the Mesa Commercial club from Del
W. Potter announced that Mr. Pot-
ter would be in Mesa on the even-
ing train (7 o'clock), to attend the
road meeting to be held at the town
hall tonight. This meeting is one of
the greatest importance to the people
of Mesa and vicinity and all who can
should be present. Mr. Potter can
tell more about the roads of the
United States than any other person
in Arizona. He is an interesting
talker also, and it will be a pleasure
to hear him. Mesa is now on the
Ocean to Ocean high way and the
ability is expected to work together
in an effort to have the great high-
way placed in the best possible con-
dition to accommodate the thousands
of automobile parties that will pass
through Arizona in the next three

YOUNG
MOTHERS

No young woman, in the joy of
coming motherhood, should neglect
to prepare her system for the physi-
cal ordeal she is to undergo. The
health of both herself and the coming
child depends largely upon the care
she bestows upon herself during the
waiting months. Mother's Friend
prepares the expectant mother's sys-
tem for the coming event, and its use
makes her comfortable during all the
term. It works with and for nature,
and by gradually expanding all tis-
sues, muscles and tendons, involved,
and keeping the breasts in good con-
dition, brings the woman to the crisis
in splendid physical condition. The
baby, too, is more apt to be perfect and
strong where the mother has thus
prepared herself for nature's supreme
function. No better advice could be
given a young expectant mother than
that she use Mother's Friend; it is a
medicine that has proven its value
in thousands of cases.

Mother's Friend is sold at
drug stores.

Write for free
book for expect-
ant mothers which contains much
valuable information, and many sug-
gestions of a helpful nature.

BRADFIELD REGULATOR CO., Atlanta, Ga.

years. Especially will the road be
used to an enormous extent while
the Panama-Pacific exposition is be-
ing held at San Francisco.

DR. DRANE APPOINTED

Dr. J. E. Drane, Jr., has been ap-
pointed by Governor Hunt as a dele-
gate to the Fifteenth International
Congress of Hygiene and Demography
which meets in Washington on Sep-
tember 23rd, continuing until the 28.
The session is said to promise one of
the most interesting gatherings of
noted medical men from all over the
world that ever has been held in
this country.

NEWS IN BRIEF

District Attorney Lyman and Sher-
iff Adams were up from Phoenix
yesterday to attend the case of the
state against Peter J. Schaefer.
Rev. A. E. Harper, recently from
St. Mary's, West Virginia, has been
a guest of E. S. Anderson and family
for several days.

W. D. McBrayer has been elected
precinct committee man for the so-
cialist party in Mesa precinct.
Orlando Merrill has been chosen as
counselor to the Bishop of Lehi
ward, to fill the vacancy caused by
the resignation of Thomas Diggs.

S. H. Motley has a deal on foot,
which if completed successfully will
enable him to take a trip to the
coast to look after property he owns
in San Diego.

The town was closed up yesterday
afternoon, on account of clerks' half
holiday. Next Thursday marks the
close of the half holiday agreement
for this season.

R. Van Meter was in town yester-
day on business. He has been very
successful this season in disposing
of his excellent crop of fruit at good
prices.

The new store room of Lesieur &
Co. is rapidly approaching comple-
tion.

CHANDLER

ONE THING NEEDED
BY TOWN OF CHANDLER

And it is in the Way of Getting
It.

The crying need of a fireproof
building in Chandler, to be used,
ground floor by the chamber of com-
merce for exhibits and a gathering
place for Chandler residents and vis-
itors, and the upper floor for lodge
and social purposes, was the theme
of an earnest discussion at the meet-
ing of the Chandler chamber of com-
merce Sunday afternoon. It developed
there are at least fifty Masons in
high standing who have purchased
land in the Chandler section during
the past year. There are also num-
erous Odd Fellows galore, numerous
Elks and a number of Pythons. Other
bodies of lesser importance are
also represented in the residency of
Chandler and a demand has arisen
for a meeting place in the new town.

The chamber of commerce now has
\$750 subscribed to the building fund,
of which \$449 has been paid in. The
chamber also has the promise of a
choice lot in the business center of
Chandler whenever it is ready to be-
gin the erection of its building.

Dr. A. J. Chandler, president of the
Mesa Improvement company made an
urgent plea on the necessity of get-
ting in members of the chamber from
the districts outlying the Chandler
ranch property. He lauded the work
which is being done for good roads
and declared the big present neces-
sity was a place where the people
could gather for social communion,
and where fraternal organizations
would meet. His views are seconded
heartily by J. H. Childs, of Mesa,
Secretary Peabody, President George
C. Smith and others.

Secretary Peabody thought the best
way to raise the additional funds
necessary for a building would be by
direct subscriptions for stock from
the residents of Chandler. Three of-
fers of \$100 subscriptions were im-
mediately volunteered, but the whole
matter was put off two weeks to
await the decision of the chamber
as to the retention of Secretary Pea-
body's services.

If Secretary Peabody's services are
retained, which no one doubts, the
matter of raising the funds among
the residents of Chandler will be
placed entirely in his hands.

IRRIGATION DELEGATES

The chamber of commerce, at its
meeting on Sunday last, named Dr.
A. J. Chandler and W. J. Lemke
as delegates to attend the Irrigation
Congress which meets in Salt Lake,
September 30.

WHAT WE NEVER FORGET

According to science, are the things
associated with our early home life,
such as Bucklen's Arnica Salve, that
mother or grandmother used to cure
our burns, boils, scalds, sores, skin
eruptions, cuts, sprains or bruises.
Forty years of cures prove its merit.
Unrivaled for piles, corns or cold
sores. Only 25c at all druggists.

PASSED THROUGH

John Connolly, proprietor of Con-
nolly's Cash Store in Mesa, motored
through Chandler Sunday with his
family to inspect his desert claim
south of the Chandler ranch.

MILO MAIZE LOOKS FINE

Conrad Kreitz has a forty in
milo maize two miles south of town
on section four which looks fine and
is rapidly nearing its harvest.

SPLENDID MAIZE CROP

J. H. Stevens, who owns a forty-
acre tract in fertile section two of
the Chandler ranch, has thirty acres
of ripening milo maize which shows
the wonderful productiveness of the
Chandler land. Over a large section
of the thirty the milo maize will
probably harvest 3000 pounds to the
acre.

Budweiser

AMERICA'S FAVORITE BEVERAGE

Its sale of 173,184,600 bottles
during the year 1911 is due entirely
and solely to its surpassing qual-
ity, purity and flavor. No wonder
Budweiser is in constant demand
on all Buffet and Dining Cars, at
Hotels, Clubs, Cafes and Homes.

Budweiser bottled only at the home plant
with crowns or corks.

ANHEUSER-BUSCH BREWERY
ST. LOUIS

MELCZER BROS. & CO.

CLEARING HIS TWENTY
A. J. Granger, of Santa Paula, Cal.,
is clearing his twenty on section two,
preparatory to making his home
thereon.

**\$80,000,000.00 LOST ANNUALLY BY
WAGE EARNERS.**

Dr. Sadler estimates that about
\$80,000,000.00 in wages is lost annually
to the American people as a direct re-
sult of colds. Lost time means lost
wages and doctoring is expensive. Use
Foley's Honey and Tar Compound
promptly. It will stop the cough, and
heal and soothe the sore and inflamed
air passages. For sale by Elvey & Hulett.

VISITED HER HUSBAND

Mrs. George H. Binkley, of Chi-
cago, was a Wednesday overnight
visitor to Chandler with her husband,
the general engineer of the townsite
project. Mrs. Binkley returned to the
temporary Binkley home in Mesa
on Thursday morning's train.

GUTTERING COMPLETED

During the week a gang of men,
under the direction of Superintendent
of Works Cashman, gutted the
north side of Commonwealth avenue
from the railroad to the city park.
The curbs and gutters are now all in
along this beautiful city highway,
which is one of the best shaded and
modern in Arizona.

CHARMING VISITOR

Miss Margaret Binkley, of Chicago,
the charming little daughter of Man-
aging Engineer George H. Binkley,
of the Chandler townsite, visited her
father Sunday, taking lunch with
him at the Chandler hotel. She was
the motor guest from Mesa of Sales
Manager Hanna, of the Mesa Im-
provement company.

RESIGNS AS DIRECTOR

Owing to pressing business of his
own which makes it practically im-
possible for him to attend meetings,
Walter S. Smith resigned from the
directorship of the Chandler chamber
of commerce, Sunday. The election
of his successor was left to the other
directors.

DELIGHTED WITH CHANDLER

Frank J. Newman, boss plumber
for the Weaver Construction com-
pany, on the San Marcos hotel, was
a Phoenix visitor Saturday and Sun-
day. He saw two innings of the
Chandler-Phoenix game and fled.
Newman is delighted with Chandler
and the Weaver company stands to
lose a good man.

EATING FORCE DIVIDED

A big force on the San Marcos
hotel changed its eating quarters to
the new kitchen provided in the rear
of the hotel site. This leaves the
Chandler hotel to the regulars and
transients as before. The new ar-
rangement does away with crowding
and consequently is much more com-
fortable.

ONIONS FOR ASSOCIATION

Hubert L. Littlejohn has about two
acres in winter onions, which are
looking fine, and which have been
contracted in advance to the Grow-
ers' Association of Phoenix.

BRING YOUR DRINKING CUPS

The public school opens Monday.
Every child must bring his own

drinking cup. Don't forget if you
want your child to drink at the
fountain of knowledge he must have
his little dipper for the water bucket,
thereon.

PARTY FROM MESA
Harry Chandler and a party of
friends motored to Chandler one day
during the week.

WATER SYSTEM STORY
